Subject: Structural Fill Facility Notification Update, CCB0072 – Revision Approval
Associated with – Marshall Steam Station Industrial Landfill #1, Permit No. 1812
Catawba County, DIN 16324

Dear Mr. Snyder:

On March 16, 2012, the Division of Waste Management (Division) received Duke Energy of the Carolinas' letter regarding changes to the dates for construction of Structural Fill CCB0072 at the Marshall Steam Station Industrial Landfill #1, entitled;

Structural Fill Facility Notification Update – Phase 1 Construction, Marshall Steam Station Industrial Landfill #1, Duke Energy Carolinas – Marshall Steam Station, Terrell, Catawba County, North Carolina S&ME Project No. 1356-11-032, S&ME Engineering License No. F-0176. Prepared for Duke Energy of the Carolinas. Prepared by S&ME. March 2012. DIN 16323.

The letter requests revision to those portions of the approved Notification that deal with the estimated dates on which construction of Stage 4 and Stage 5 will start and complete construction. The original notification presented estimated start and completion dates of April 2013 and October 2013 for Stage 5. Based on the current schedule, Stage 4 construction will start in April 2012 and be completed in June 2012, and Stage 5 construction will start in July 2012 and be completed in December 2012.

The Division has reviewed the request and hereby approves the immediate implementation of the revisions. All documents referenced in this letter may be accessed and downloaded from the Division's website <http://portal.ncdenr.org/web/wm/sw>. Should you have any questions regarding this matter contact me at (828) 296-4704 or larry.frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
